**Subject:** Erf 2103 - Comments on revised Services Report

**Importance:** High

Good day Mr. Rhode

Our client is applying for an amendment to the current Environmental Authorisation. The original application was for constructing a residence, but the new application is to lease the property to a rescue and rehabilitation group to establish a doggie day-care and rehabilitation facility.

Our original Services Report (Rev. 0) dated March 2018, is therefore replaced by the attached Services Report (Rev. 1) dated August 2021.

I have attached the following information for your perusal:

- Amended Services Report (Rev. 1)
- Original Environmental Authorization
- Site Development Plan
- Approved footprint
- Amended footprint

I would appreciate it, if you can furnish us with your comments regarding the revised Services Report.

Please do not hesitate if you require any additional information.

Kind regards
