PUBLIC PARTICIPATION PROCESS

BASIC ASSESSMENT APPLICATION

PUBLIC PARTICIPATION PROCESS FOR RESIDENTIAL DEVELOPMENT
ON REMAINDER OF ERF 2841 AND ERF 5574, TERGNIET, MOSSEL BAY
MUNICIPALITY

Notice is hereby given of a Public Participation Process in terms of the National Environmental Management Act (NEMA, Act No 107 of 1998 as amended)

Application for a **Basic Assessment** is being followed for the proposed residential development on the Remainder of Erf 2841 and Erf 5574 (Tergniet, Mossel Bay Municipal District). The Department of Environmental Affairs & Development Planning (DEA&DP) is the Competent Authority.

Proposal: A residential development on the Remainder of Erf 2841 and Erf 5574. The proposal includes:

68 x Residential erven on ~1.4937ha (average size of 220m² each). Utility zones to accommodate associated services for the proposed residential development (~0.0167ha in size). Open space areas (~2.8163ha in size). Internal access roads (~0.6712ha). New sewage pump station and associated pipeline infrastructure on the southern boundary of Erf 5574 within existing services servitude.

DEADP Ref: 16/3/3/6/7/1/D6/35/0149/24

Location: The Remainder of Erf 2841 and Erf 5574 are located south of the R102 and east of Seegenot Estate in Tergniet, Mossel Bay.

Applicant: Seebou Wonings (Pty) Ltd

Environmental Practitioner: Cape EAPrac

Information Available: A Draft Basic Assessment Report (DBAR), with specialist and technical reports, will be available for a 30-day commenting period, extending from **07 September 2024 – 07 October 2024**. The electronic report can be accessed digitally via www.cape-eaprac.co.za / Active Projects. Alternative platforms / access to reports can be arranged on request or alternatively electronic copies can be provided via email, flash drives or CDs.

Deviations/Exemptions: None applied for.

Listed activities: Listing Notice 1 (Activity 27). Listing Notice 3 (Activity 4 & 12).

In order to be registered as an Interested and Affected Party (I&AP) for the process, individuals are requested to respond to this notice by submitting their complete contact details and/or comments to Cape EAPrac in writing (to address below) on or before **07 October 2024**. [Correspondence throughout the remainder of the environmental process will be distributed to registered I&APs only].

Cape EAPrac – Attention: Francois Byleveld or Louise-Mari van Zyl, Email: francois@cape-eaprac.co.za
PO Box 2070 George 6530; Telephone: 044 874 0365

Take Note: Ito the POPIA legislation when registering as an I&AP a person consents to the lawful processing of personal information for the intended purposes, as described by the Protection of Personal Information Act, 2013 (Act no. 4 of 2013). By registering/submitting comment a person agrees that his/her/their contact details will, where required by a public body, be reflected in regulated reports that must be compiled and submitted to the general public, registered stakeholders, organs of state as well as the competent authority for consideration and decision-making.

ECO-ROUTE ENVIRONMENTAL CONSULTANCY

Notification of Public Participation Process

Activities carried out on Farm Portions 420 and 373, Outeniqua Game Farm

Farm Portions 420 and 373, Outeniqua Game Farm, is located west of the R328 in Mossel Bay Municipality, Western Cape. Approximate area: 1278 ha. Approximate central coordinates: 33°59'58.67"S; 22° 2'8.56"E

Activities included in the Listing Notices (LN) 1, 2 and 3 of the Environmental Impact Assessment (EIA) Regulations published in terms of National Environmental Management Act (Act 107 of 1998) (NEMA) have been carried out on the farm portions between 2015 – 2024. Activities include clearing of more than 20 ha indigenous vegetation for the development of structures and agricultural activities: development of additional roads and tracks, development of dams. An environmental authorisation is required for the following NEMA EIA activities:

LN 1 (GNR 327): Activity 13, 19

LN2 (GNR 325): Activity 15, 27

LN3 (GNR 324): Activity 12, 14, 23; Activity 2, 4 (to be confirmed)

A new dam (120 000 cubic meters) is proposed; the dam wall is planned to be a maximum of 5 meters in height. Area of dam is not yet confirmed. An additional 380 ha is proposed to be cleared for the planting of maize, lucerne and avocado. Environmental authorisation for the following NEMA EIA activities may be required: LN2(GNR 325): Activity 15, 16, 29

Water uses included in Section 21 of the National water Act (Act 36 of 1998) (NWA) have been carried out. Two general authorisations have been issued for water uses (abstraction, storage). Additional water uses have been carried out on the site.

Notice is hereby given that the landowner intends to apply to the Western Cape Department of Environmental Affairs and Development Planning for the regularization of unlawful commencement or continuation of listed activities in terms of section 24G of the NEMA. An application will be submitted to the Department of Water and Sanitation for water use authorization.

A public participation process will be conducted according to Regulation 41 of the NEMA 2014 EIA Regulations (as amended, 2017). All interested and affected parties (IAPs) are encouraged to participate in the process. **Register and / or comment as an IAP within 30 days of this notice. Registration: 6 September to 7 October 2024.**

Registered IAPs will be sent the 24G application for a 30-day review and comment period.
