

**Sewer Pipeline within the Road Reserve of Sandhoogte Road**

**Sewer Pipelines in Bergsig Residential Area (within roads, road reserves / pavements)**

### **Locality of the Cricket Field Pumpstation**

Alternative 1a: expansion of the cricket field pumpstation within the already disturbed area adjacent to the pumpstation (1<sup>st</sup> photo). Addition of one smaller pumpstation on Erf 111 in Bergsig adjacent to Fourie Street (2<sup>nd</sup> photo).

Alternative 1b: Construction of a new pumpstation, that will replace the existing cricket field pumpstation, right next to the cricket field pumpstation in the same locality as Alternative 1a (1<sup>st</sup> Photo) excluding the addition of one smaller pumpstation on Erf 111.

Alternative 2: Construction of a new pumpstation, that will replace the existing cricket field pumpstation, right next to an open piece of land adjacent to the Great Brak River Sports Club tennis courts (Below 3<sup>rd</sup> Photo).
